

Child & Adolescent Services

Dekalb CSB's outpatient child and adolescent service provides comprehensive evaluation and treatment for children (ages 3-12) and adolescents (ages 13-18).

We offer assessment and treatment when children and adolescents have emotional, behavioral, substance use or mental health challenges.

Child & Adolescent Programs:

- Outpatient Services
- School Based Mental Health
- Emerging Adult Support Services
- Prevention and Early Intervention Program
- Community Support Services

We're committed to creating a community where disabilities no longer limit potential.

Services Offered

- Individual/Play Therapy
- Group Therapy
- Family Therapy
- Psychiatric Evaluation
- In Home and In School Community Support
- Medication Services and Management
- On-site Pharmacy
- Mental Health Outpatient Services
- Substance Abuse Outpatient Services
- Coordination of Services (with courts schools, and agencies such as the Dept. of Family and Children Services and Dept. of Juvenile Justice)

Payment Information

Dekalb CSB serves all clients who are eligible for treatment. For those with insurance coverage, we currently accept Peachcare for Kids, Peach State Health Plan and Commercial Medicaid plans administered by Wellcare, Caresource and Amerigroup.

Appointments

To schedule an appointment for your child or adolescent call 404-892-4646.
