

You Can Help!

VOLUNTEER

Become an everyday hero who can change the lives of foster children.

You will be trained and empowered to help ensure their essential needs and best interests are being met.

DONATE

Your tax-deductible donation is a wise investment in the future of our children.

A year of CASA advocacy costs less than one month of foster care and brings us closer to serving every foster child in Georgia.

GET INVOLVED

Even if you can't volunteer, you can still help.

Follow us on social media. Connect with us online and we'll share other ways you can get involved in your community.

Help Us Serve Every Foster Child in Georgia

Every day, abused and neglected children enter the foster care system in Georgia, and unfortunately, the number keeps growing.

You can make a difference in a foster child's life by becoming a CASA volunteer.

CASA volunteers are everyday heroes from all walks of life who speak up for the best interests of foster children. With a CASA volunteer, a foster child is twice as likely to find a safe, permanent home.

You can be an everyday hero helping foster children in your community.
